## **MAWNAN FUN RUN**

The fun run on 24 September was the most successful yet, despite the dull weather. Nearly 300 runners took part and over £2000 was raised for Falmouth Rotary Club's charity fund. There was a good atmosphere on the playing field with various stalls provided by local organisations and we understand that about £700 was raised for these groups. The Rotary Club would like to thank all of the generous local businesses for their support and everyone who took part or helped on the day to make this such a successful event. Make sure you put in your diary the date for next year's event on Sunday 30th September!
